The Connecticut Department of Transportation is improving traffic operations along I-95 in Greater New Haven. The I-95 New Haven Harbor Crossing (NHHC) Corridor Improvement Program is a multi-modal transportation improvement program that features public transit enhancements and roadway improvements along 7.2 miles of I-95, between Exit 46 (Sargent Drive) in New Haven and Exit 54 (Cedar Street) in Branford.

CTDOT is working to inform local residents of current and upcoming construction activities through announcements such as this, as well as through the I-95 NHHC Corridor Improvement Program website (www.i95newhaven.com).

For any questions about the program, please call 1-203-752-1996 or email info@i95newhaven.com.

If you would like to be removed from the *Construction News* distribution list, please reply to this email and type "remove from list" into the subject line.

To register for free notification of highway & rail incidents from CTDOT statewide **E-Alert System**, go to www.ct.gov/dot & click on "Sign Up For E-Traffic Alerts."
